

If You Recognize These Pictures, I'm Sorry, You're Officially Old.  
Old and wise.

If you've eaten dinner at a table like this...

**HAVE YOU EVER SEEN**

**ONE OF THESE SINKS**

If you knew a kitchen with this exact kind of sink...

If you've ever cooked a delicious meal in one of these...

If you can just HEAR this sound in your head...

**Who is old enough to  
remember when...**

**You needed two keys  
for one car?**

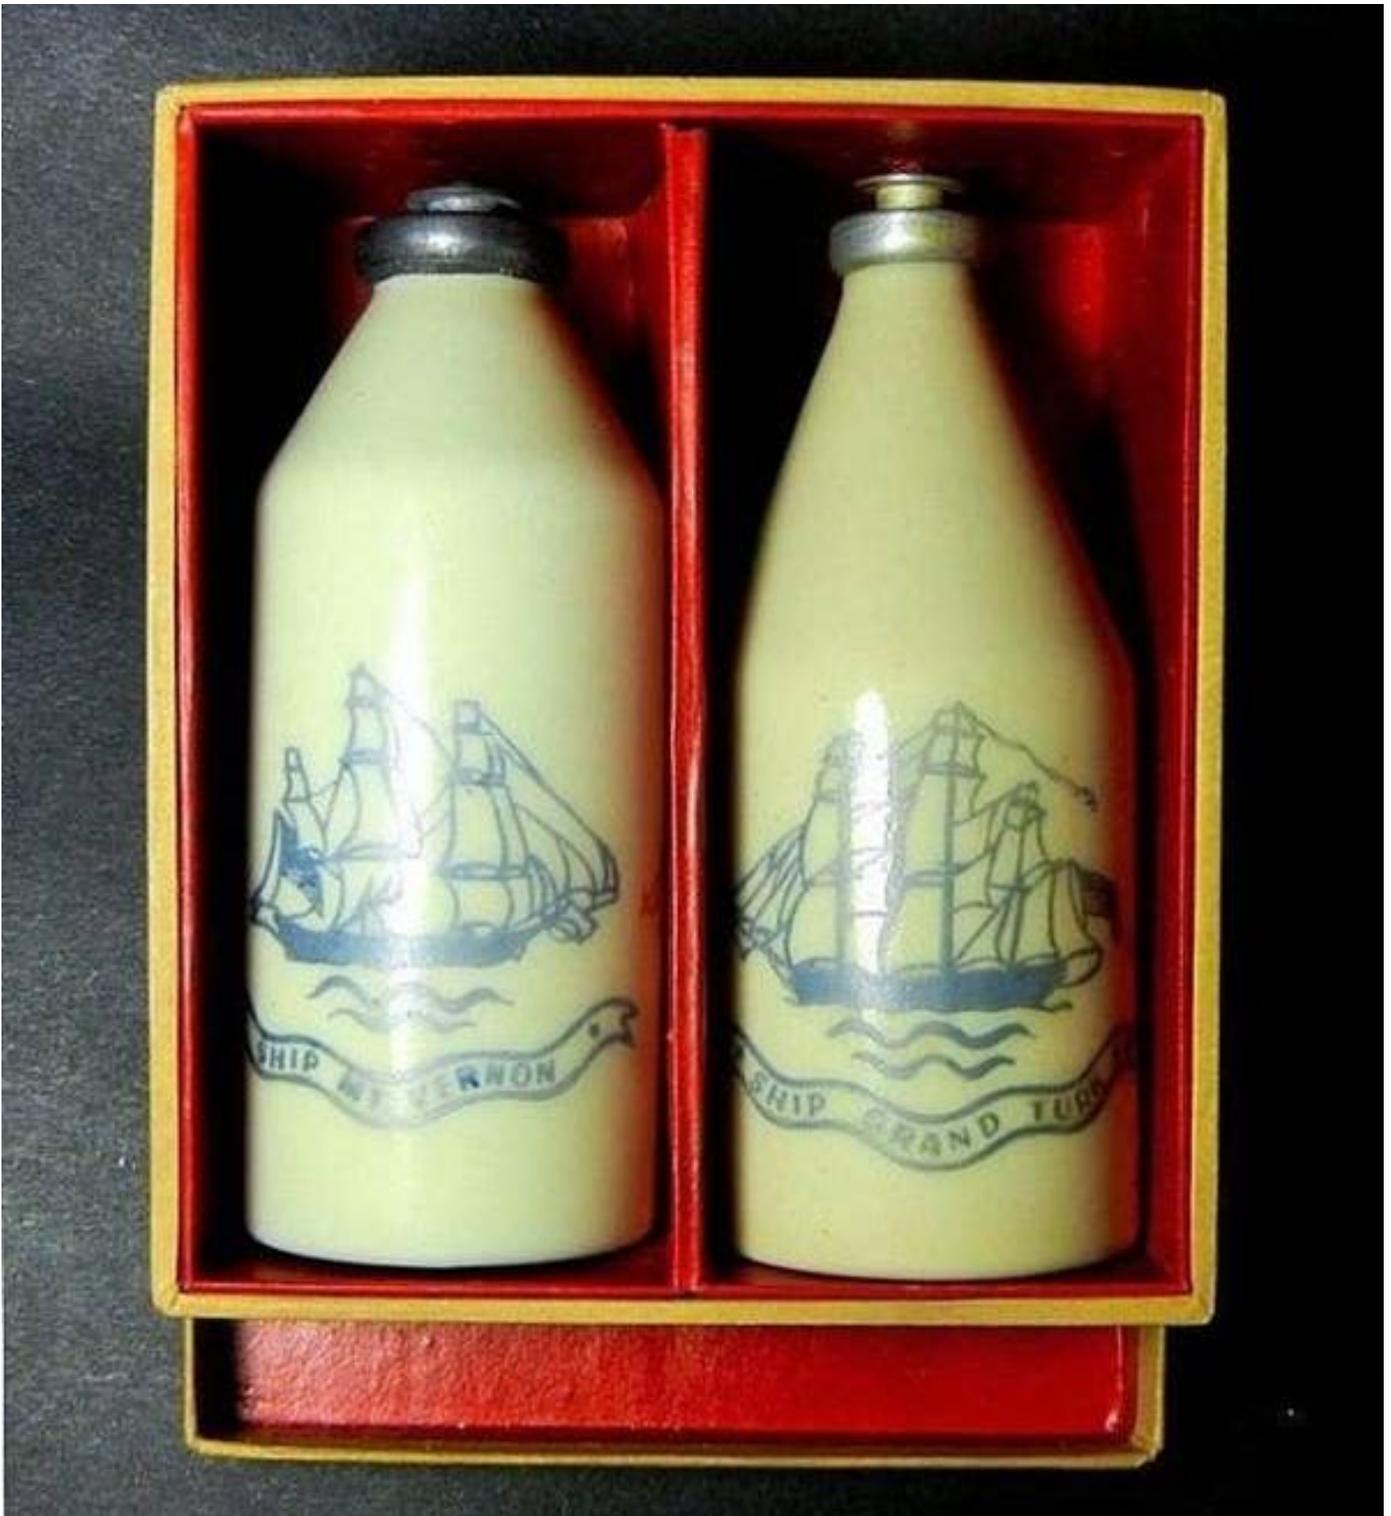

If you've ever used two keys to run a car...

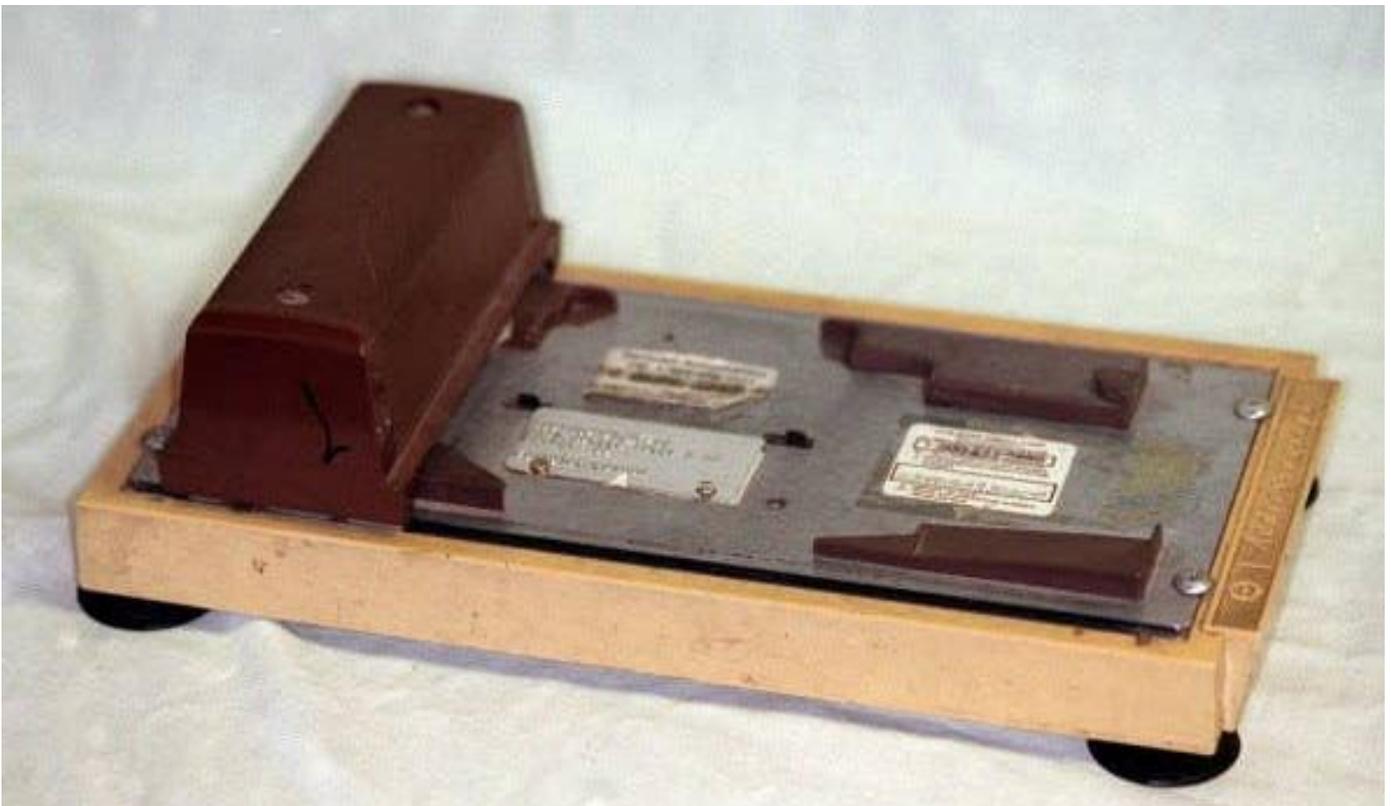

If you've ever used this tool...

If you know exactly what song you'd put on if you saw one of these...

If you can think of the exact person that used to smell like these...

If you know what this is used for...

**Few will  
remember  
what this  
was for.**

If you've ever been in a room with one of these...

If you can still taste these...

If you can smell the smoke from this...

If you can still feel the burn from this...

If you have a very, very strong opinion on liver and onions...

If you are familiar with where you can find these...

If you can do this without a problem...

If you know that food was always more delicious coming out of one of these...

If you've driven in a car that had one of these...

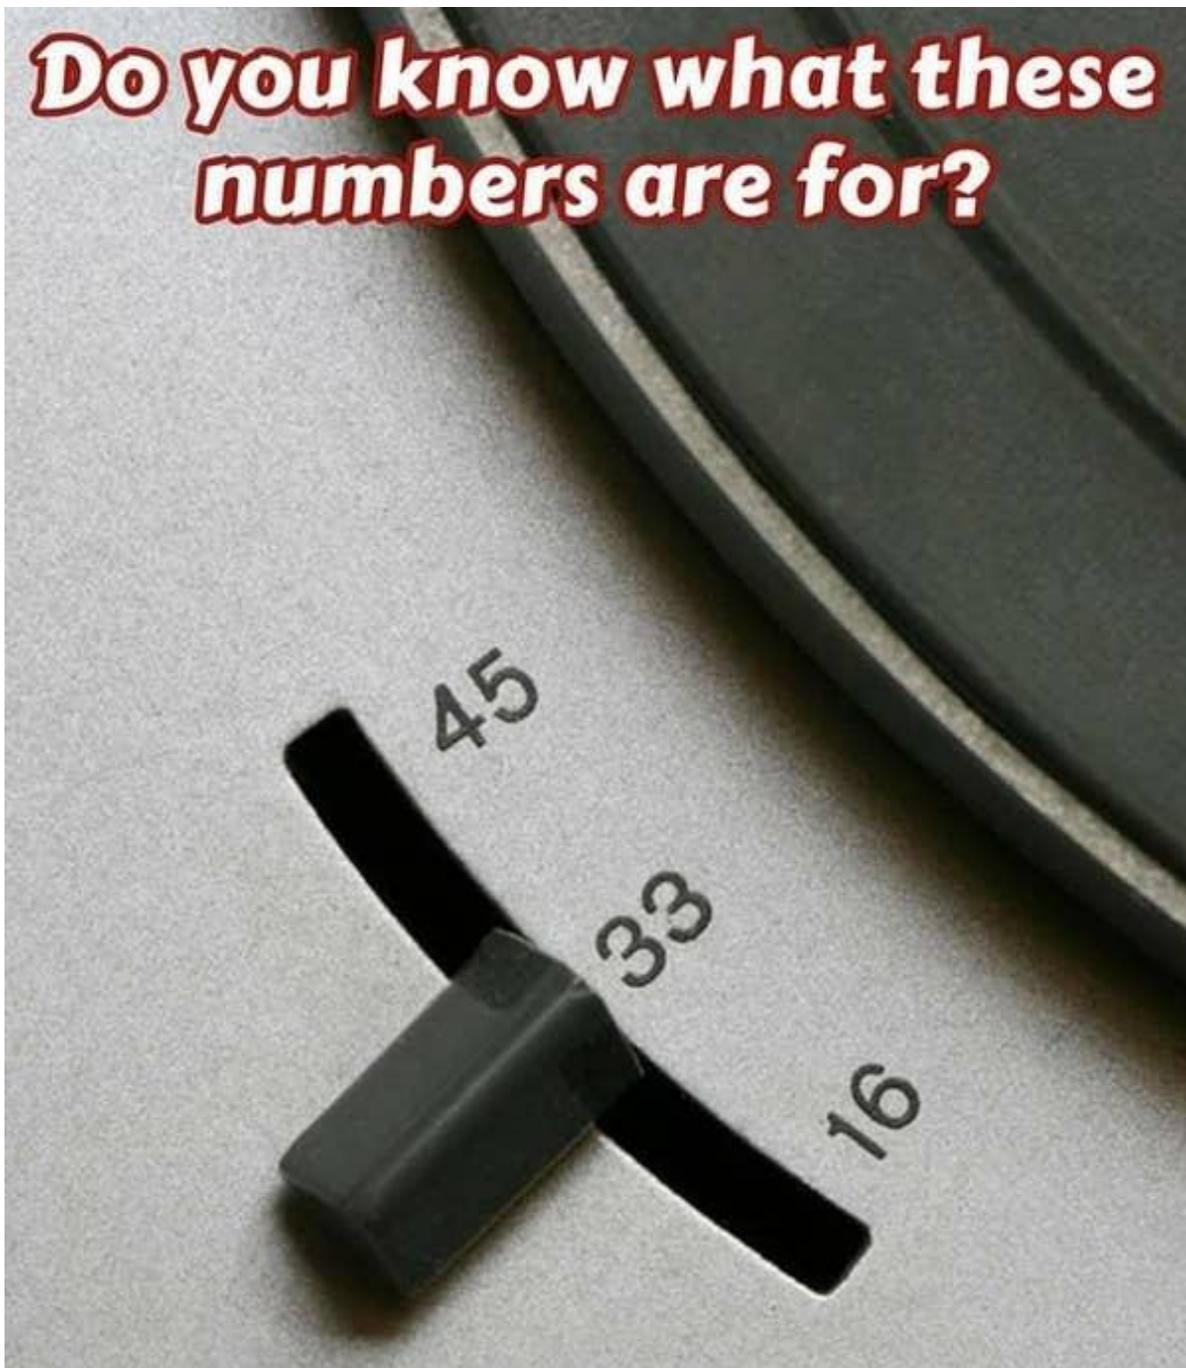

*If you know someone who used or uses one of these...*

*If you know what this tool is used for...*

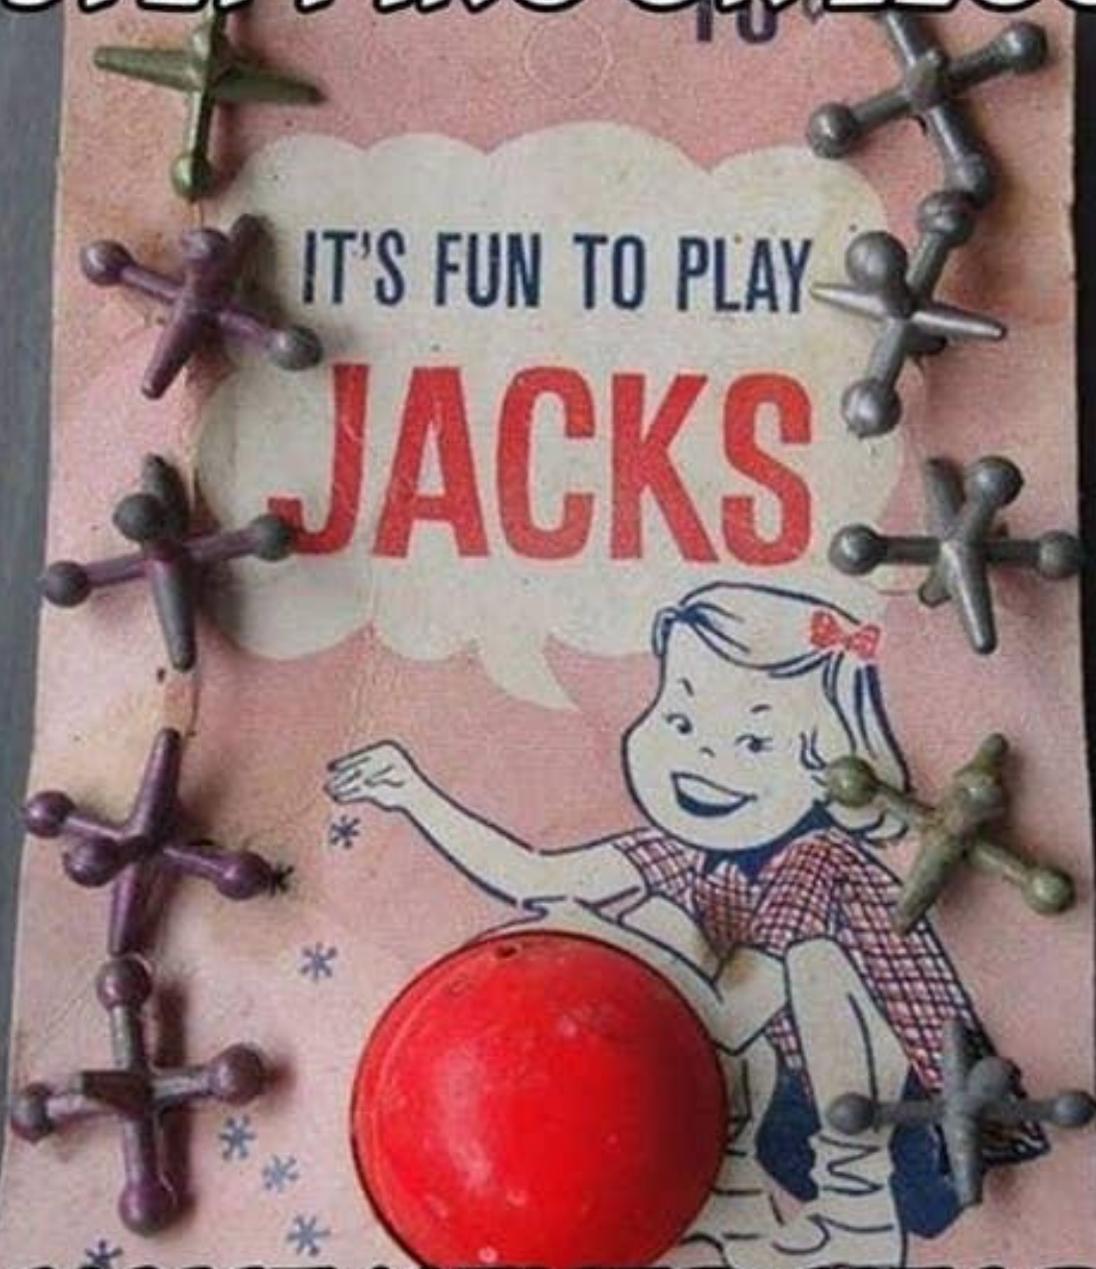

If you've ever slammed your feet in one of these...

If you know what these numbers mean...

**PEOPLE CRYING ABOUT  
STEPPING ON LEGOS**

**HAVE NEVER HEARD  
OF JACKS.**

If you've experienced this pain...

If you know what's under this doll...

If you know what this is used for...

# Remember when we did this?..

If you've ever performed a little shoe surgery...

If you know exactly what store this is from...

If you know full well that these are not medieval torture devices...

If you know what's in this box and have eaten it...

If you've ever performed with these...

. If you ever had to use this in a classroom...

Even if you never had one of these draped over the back of your couch, you knew someone who did

If you can think of the EXACT person who has this blanket...

If you've ever "watched" a movie on one of these...

**WHO REMEMBERS  
PULLING A SODA  
FROM ONE OF THESE?**

If you've used a vending machine like this:

If you know what this button is used for...

# WHO ELSE REMEMBERS

If you know what this thing is...

If you know exactly where these things are located...

If you've ever used putty on a newspaper...

If you've ever spent an amazing afternoon on one of these...

If you've made coffee with these things...

And if you remember when gas prices looked more like this...

**Congratulations! You are officially old.**
