

**H**ow would you like to take part in the world's largest **fund raising** event for childhood cancer research? On behalf of the St. Baldrick's Foundation, **we are seeking** your participation in an event that could save a child's life. What began as a challenge among friends has grown into the world's largest fund raising event for childhood cancer.

***Shave the Way to Conquer  
Kids' Cancer!***

Every year, thousands of brave men, women, and children give up their locks to raise money for childhood cancer research. Youngsters in treatment typically lose their hair, so volunteers shave their heads in public as a bold act of solidarity.

Please join us as a **donor, shavee or volunteer** at the Rio Grande Valley St. Baldrick's event this year. Don't miss the raffle and all the fun of watching the hair fly on March 9<sup>th</sup>!

**Each shavee and volunteer collects donations from local businesses, their friends and family to support life-saving childhood cancer research.**

Worldwide, 175,000 kids are diagnosed with cancer each year and despite tremendous progress, cancer remains the #1 disease killer of children in the U.S. and Canada.

While battling cancer, children lose not only their hair but years of their childhood, and sometimes their lives. In comparison, shaving your head is a small sacrifice.

The St. Baldrick's Foundation is the largest private funder of childhood cancer research grants. Your participation will help fill crucial funding gaps at medical institutions where children are treated for cancer, ensuring the finest care for every child.
